The Social and Industrial Club has been invited to meet next Tuesday afternoon with Miss Lizzie Brown, in honor of her guest, Miss Miller, of Irvine.

Quite a number of young folks took dinner at the Garrard Sunday evening. This is "all the go" with them now, and the fellow who can't dig up enough cash to get on the band wagon is "small potatoes" in the estimation of the girls.

Capt. Chas. Gallagher, who left for the soldiers home, Danville, Illinois,

last week, has returned to his daughter's, Mrs. W. A. Hiatt, in Winchester. He did not like the surroundings at the home, and only remained there a few hours.

Mr. Will Owsley has returned from Danville, and is at the residence of his mother, Mrs. Jno. W. Poor, on Danville street. His many friends will regret to learn that his health is very poor and he was forced to quit work as U. S. gauger. THE RECORD joins many in wishing a speedy recovery.

Middlesboro Record: Mr. A. M. Kinnaird has been in Knoxville, for several days, on business. Capt. W. J. Kinnaird, the enterprising insurance man, spent Monday at London, inducing the citizens of that town to take out life and accident insurance, before the assembling of the Republican legislature there. He did well.

Sandifer went to Russellville to assist in the burial ceremonies at the grave of his fellow Mason, J. H. Thomas.

The patrons of the local post office will regret very much for Lewis West to leave his position as assistant. He is one of the best and most efficient young men the local office ever had, always polite and obliging, and free from the thought that he owned the post office Department and was doing a man a favor to look for his mail. He goes on the railway as postal clerk last of this month.

There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by R. E. McRoberts, druggist 1m

### His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular size 50 cents and \$1.00. Trial bottles free at R. E. McRoberts' Drug Store; every bottle guaranteed.

A Tribute To Goebel. Lying, cold, beneath the sod, Just another brave who's met his God; Oh! We prayed, but all in vain, They carried brave Goebel through the drizzling rain.

None fought so hard for life, they say; But death was nigh and he could not stay; And upon his casket there Lay beautiful flowers, bright and rare; But flowers spread and lilies white, Ah, had he lived, none were as bright.

Now at last he lies at rest, The Kentucky thinks not for the best: We wept and prayed for that dear one, But remember, kind friend, God's will be done.

And if with us he could have been spared, We would have given many things rare; But now, in his eternal sleep, He wishes that we no more weep.

For tears and prayers will not bring back, But our love for him will never lack, For God, who gave, Has taken back.

In a painless sleep, No more he'll weep, For Angels will keep Their sweet, white sleep. (Written by 12-year-old Fannie Williams, of the Williams Comedy Company)

Does It Pay to Buy Cheap. A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles "Boschee's German Syrup."
